

Metrology Services

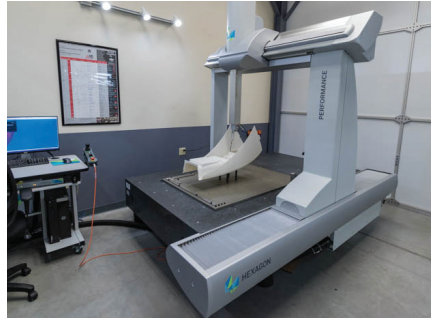

Metrology Services Made Easy.

Teamvantage offers multiple state-of-the-art coordinate measuring machines (CMMs) and vision systems (OGP Smartscope, etc.) that are run by experienced metrology technicians. All of our CMMs operate with the most current version of PC-DMIS software.

Teamvantage is certified to ISO 13485, ISO 9001 and AS9100 by our registrar TUV America, Inc. Certificates are on site and available for inspection. We are ITAR registered and U/L recognized. Our 111,000 square foot, climate controlled facility is registered with the FDA and operates under Current Good Manufacturing Practices (CGMP).

Whether you have ultra-small or large format inspection requirements, we have the equipment and personnel available to assist you with all of your metrology needs. Teamvantage is your one stop shop for metrology services!
